Physical Security  
Training

# Mission of Security Staff

- Customer Service for Security Issues
- Protection of personnel, information, and assets
- Support APHIS and ARS programs
- Ensure compliance with USDA and Federal Regulations
- Minimize disruption of services – work flow, maintenance, and repair

# Employee Security Awareness is...

- A mindset that leads you to recognize unusual behavior/circumstances while going about your regular work day
- Understanding and following security policies and procedures
- Recognizing that **all** employees play a vital role in the success of the security program

# Recognizing and Reporting Suspicious People, Packages and Activities

- A suspicious activity is when a person's conduct or action does not fit normal day-to-day activity
- If something looks wrong, it probably is. **“Report It”** to NCAH Security by calling **2222** or **337-7222**
  - **PLEASE program your cell phone**
- If the situation is life threatening, **NCAH SECURITY** will contact the police, fire department, or ambulance services immediately (**DO NOT call 911**)
- Read SOP **NCAHSOP0015**: *Reporting Unauthorized or Suspicious Persons and Suspicious Activities*

# What to report

- **Try to remember the following information when calling Security:**
  - Is anyone hurt? (Condition of individual(s)?)
  - What happened?
  - Time and place
  - If suspicious activity (description of suspect(s))
  - Any additional details and information

# Active Shooter on NCAH Campus

What to do if you hear gunshots or PA announcement....

***All Actions are a Personal Judgment – Every situation will be different***

***Below are the (3) steps to perform in case of an Active Shooter***

## **1. Run (Evacuate) – If possible evacuate the area**

- Don't wait for validation, evacuate regardless even if others don't agree to leave
- Don't take anything – Leave personal belongings behind
- Exit however possible - use doors, windows or any path to escape
- Help others escape if possible
- Prevent others from entering an area where the Active Shooter may be located
- Keep hands visible, follow instructions of any law officer
- Do not go to your vehicle and try to drive off campus

***All Actions are a Personal Judgment – Every situation will be different***

2. **Hide** – If you cannot run, (evacuate) safely, hide in room barricading doors
  - Lock door, hide behind large items (Desk or Cabinet) if possible
  - If in a cubical with no door, hide under desk and pull chair near you to block shooters view
  - **Silence Cell Phone** – Remain quiet – Remain Calm
  - Don't give up and be a victim – stay out of the Active Shooter's view
  - Gather weapons (i.e. stapler, phone, chairs) in case Active Shooter enters area
  - Position for attack, prepare if the shooter is nearby

# Active Shooter on NCAH Campus

What to do if you hear gunshots or PA announcement....

***All Actions are a Personal Judgment – Every situation will be different***

**3. Attack** (Take action against the active shooter only as a last resort) – If the shooter approaches you

- Act as aggressively as possible against the Shooter
- Throw anything (stapler, phone, chair) at them
- Charge the Shooter (Do **NOT** just stand there)!! – Evidence proves you have a better chance of survival if you defend yourself in any way
- Yell and commit to take action against the shooter
- Grab Weapon if possible
- Take Shooter down if possible
- Work as a TEAM

# After Hours working on Campus

- After hours and weekend gate entry/exit procedures
  - Main Gate (Open **6am-6pm M-F**)(**8-Noon Sat**)
    - If gate is closed, scan in, after gate opens drive through and **wait for gate to close behind you.**
    - If waiting for gate to close and someone arrives behind you, wait for green light to illuminate before leaving gate
- Notify Security Command Center if working alone. This is for ***your*** safety.
- See [SECSOP0009](#): *National Centers for Animal Health Gate Entry and Exit Procedures*

# Building Physical Security

- Do not prop open or compromise building or laboratory entrance doors. This creates a critical security vulnerability. To maintain a safe and secure campus, do not prop doors open and if found, close the door and notify Security Guards.
- Ensure to scan the card reader when exiting a door with a reader installed. Do not use the ***Emergency Release button*** unless it is a true emergency. This ensures the Security system is operating properly.

# Policy against “Tailgating”

- **What is tailgating?** When a person tags along with another person who is authorized to gain entry into a area; following a person past a card reader without scanning your ID
- **Do not** tailgate, **Do not** allow tailgating
- A curious employee can wander into a lab unintentionally disrupting or even compromising testing and research work
- Tailgating decreases security staff’s ability to find you in an emergency situation
- Difficult to know who is and is not authorized to enter an area
- Tailgating is **ONLY** authorized for egress procedures during a **Fire, Tornado, or Emergency**

# Card Readers

- When using LincPass to trigger card reader, place LincPass on or against reader for **3 seconds** without moving.
- To ensure you can get to your work area, report malfunctioning card readers and/or door locks to Security to get repair.
- Unreported issues might delay you in getting to your designated area.
- If you forget your LincPass in computer, ask a coworker to escort you back to desk

# Card Readers (cont.)

- **Magnetically locked doors** are equipped with an override for use when exiting an area in the **event of an emergency** or when electronic lock does not open or key card fails

Picture of emergency override button and key card reader next to door.

# USDA Badge Policy

- Always wear and display Identification Badge (ID)
- Think of an ID as your toothbrush – don't share it, and keep it somewhere safe
- Immediately report lost or stolen ID to security
- Replacement badge request through human resources
  - APHIS contact
  - ARS contact
- Carpool Badge ID available for spouse/family member dropping off and picking up
- [SECSOP0006](#): Photo Identification Badges

# Visitor Policy

- **SECSOP0002**: Procedure for Admitting Visitors states: A visitor is defined as any person that does not have a federally-issued ID with assigned access permissions to the area(s) working in or being visited.
- **All visitors including family/children** must sign in at Front Security Desk. Notify Security Command Center after hours/weekends. Child visitors that are not capable of signing the visitor log must have the NCAH employee escort sign in for them.
- All other Federal employees having business to conduct at the NCAH will be managed as a visitor unless a NCAH badge has been issued or a LincPass has been programed, granting them access to designated locations.

# Visitor Policy
